

#### Who can enroll?

International Students with an F1 or J1 are automatically enrolled in this insurance plan at registration on a hard waiver basis. Students in Optional Practical Training (OPT), English as a Second Language students, and other certain approved program students are eligible to purchase the plan on a voluntary basis as long as they have a valid student visa. OPT students may enroll in this plan on a voluntary basis provided that the student was enrolled in the plan for the semester prior to OPT status and may enroll up to one additional year.

Eligible students may also insure their Dependents. Eligible Dependents are the student's legal spouse (including a Civil Union partner) and dependent children under 26 years of age.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.
